departmental budgetary
requirements*

P-Series.™ These pressure discs offer dual durometer hardness and a unique “race track” shape for improved patient comfort and focused site pressure. Molded in medical grade polymer with varied distal and proximal firmness. Our P-Series discs fit all ClampEase clamps with a ball and socket pad connection site and virtually every adult patient’s anatomy.

Call 800.525.2555 to order.

*Specify model number and brand of clamp when ordering to confirm compatibility. Minimum order 25 each.
